

EIGHT AWARDED JD GREWELL EDUCATION SCHOLARSHIP IN 2018

In 2018, EBPHI established the JD Grewell Education Scholarship in honor of JD Grewell, a well-respected home inspector who shared much of his time and talent with EBPHI and the home inspection profession. The scholarship recognizes and supports hard-working and ethical individuals who seek a career in home inspection.

In the program's first year, EBPHI awarded eight scholarships of \$5,000 each for a total of \$40,000. The eight recipients are:

Jeremy Blair, WI

Katie Consales, MA

Jason Folkestad, OR

Alex Govako, CT

Tyler Harden, CO

Alex Alberto Martinez, VA

Jessie Elizabeth Tait, PA

Robin Chestnut-Tangerman, VT

The \$5,000 scholarship is intended to cover costs associated with classroom training needed to become a home inspector. In addition, recipients are eligible to receive reimbursement of exam fees upon passing the National Home Inspector Examination.

The JD Grewell Education Scholarship is funded by the Examination Board of Professional Home Inspectors (EBPHI). EBPHI is a 501(c)(6) not for profit organization whose mission is to develop and maintain high-stakes examinations for the real estate inspection profession and to advocate for high standards for the profession. The National Home Inspector Examination (NHIE) is a nationally recognized examination and is currently accepted in 31 states as part of licensure requirements for the home inspection profession.

EBPHI is honored to support these deserving individuals as they pursue careers in the home inspection profession. The JD Grewell Education Scholarship is awarded quarterly. For more information or an application, please visit
